## My small snow boy

Ein Gedicht von mir

Es handelt über diese Scene wo Haku und Zabusa das letzte mal kämpfen  
ich fand das einfach so traurig\*schnief\*  
da musste ich was zu schreiben  
naja musste trifft es schon genau  
musste ein gedicht für english schreiben  
keine der charas gehört mir  
und ich verdiene hiermit auch kein geld

My small snow boy

The snow is fallind  
White as the wings of angels  
Are you crying,haku?  
But why?  
My small snow boy with the wrong ambu mask  
Why are you jumping in the storm of thousand birds?  
Is it because i need you?  
But why?  
My small snow boy with the wrong Ambu mask and this shining smile  
I don't need you as a human  
I need your abilities  
But you like me  
But why?  
My small snow boy with the wrong Ambu mask,this shining smile  
And these beautiful eyes  
You die for me  
You was on my side  
For many years  
But why?  
My small snow boy with the wrong Ambu mask,this shining smile,these beatiful eyes  
and a face as a girl  
I want to go where you are now  
I want to be on your side

As you were  
I am your demon in the mist  
my small snow boy

Würd mich freuen wenns commis geben würde  
und sorry für mein miserables english^^
