

My Songs

Longing

I miss you.
Oh I just wanna be
with you.
I want to hug and to
kiss you.
But I know
I can't.

The hundreth time
I read the letter
you wrote for me
an feel a little better.
The tears on my face
show what I feel.
My only hope is
that my love is real.

I miss you.
Oh I just wanna be
with you.
I want to hug and to
kiss you.
But I know
I can't.

I sit on my bed,
I'm thinking of you.
This longing kills me,
hope the weekend comes soon.
Now I don't know how
to end this song,
so I'm singing the following
all night long...

I miss you.
Oh I just wanna be

with you.
I want to hug and to
kiss you.
But I know
I can't.

I miss you.
Oh I just wanna be
with you.
I want to hug and to
kiss you.
But I know
I can't.

I miss you...
