### I was alone...

"I was alone.  
Wanted attention, fun and friends.  
I couldn't laugh, couldn't cry.

But the time go away.

Found friends.  
Can laugh.  
But I can't still cry. But I can't CRY!

Just as my stepfather,  
was in danger of life.  
Only then,  
became I  
My first tears. And I step in.

I was alone.  
Wanted attention, fun and friends.  
I couldn't laugh, couldn't cry.

I had no friends.

Nobody would play with me.  
Nobody said to me "Hello".  
That WAS my life!

Found friends.  
Can laugh.

Found friends.  
Can laugh.

That was my life!", hallte eine Stimme durch die Halle. Die Leute die zuhörten jubelten...
